Dear Alumni & Friends:

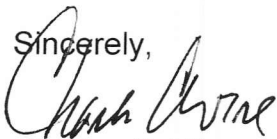

The Oktibbeha County Training School / Henderson High School Scholarship Fund Inc. takes this opportunity to extend our greatest appreciation for your support of the 2017 Tenth Biennial Reunion Celebration and generous scholarship contributions. Thanks to you and the participating supporters we awarded scholarships totaling \$33,700.00 to deserving students over the last three years.

Scholarships are awarded annually using contributions from the biennial reunions. Funds are limited in the off year and **to increase our ability to award scholarships in May of 2018 we are requesting that you contribute to the scholarship fund by March 1, 2018.** Please complete and return the enclosed scholarship contribution form with your contribution. We are also looking to use our website as a vehicle to increase contributions and scholarship awards.

We remind you that we are a 501(c) (3) organization and are exempt from federal income tax under the Internal Revenue Code, and are also certified by the State of Mississippi as a nonprofit organization. Our objective is to promote academic achievement by awarding scholarships to qualifying high school graduates of Starkville High School.

More than 170 photographs from the 2017 reunion are posted to our website, <http://octshhs.org/>, and information regarding the 2019 Reunion is also posted. Your generosity has enhanced our ability to better serve this community and we look forward to your continued support. Please visit our website.

Sincerely,

Charles C. Ware
